GUIDING PRINCIPLES:
1. Bullying behaviour at St Albans Secondary College will be addressed as part of our school’s duty of care to provide a safe and supportive school environment
2. Students must be empowered to talk about what is happening to them if bullying is to stop.
3. We promote a school community in which everybody feels valued, respected and safe, and where individual differences are appreciated, understood and accepted.

RIGHTS AND RESPONSIBILITIES:
- All students have the right to learn.
- All students have the right to feel comfortable & safe, and the responsibility to contribute to the comfort and safety of others.
- All students have a responsibility to develop empathy for the wellbeing of others.

OBJECTIVES:
Our school community will:
- affirm the right of all school community members to feel safe at school
- promote care, respect and cooperation while valuing diversity
- provide positive role models
- build self esteem, and help develop skills and strategies to deal with bullying
- ensure the roles and responsibilities of all members of the school community are clearly understood in promoting a safe and supportive environment
- Respond promptly to all reports of bullying.

WHAT IS BULLYING?
Bullying is hurtful, typically repetitive behaviour directed by more powerful individuals or groups against those who are less powerful. It creates a risk to another person’s health and safety – either psychologically or physically – or their property, reputation or social acceptance.

Bullying is uninvited, unwelcomed, intimidating and/or offensive to the recipient.

TYPES OF BULLYING:
Bullying can take many forms, some of which are difficult to identify and speak about.

There are several categories of bullying:
- **DIRECT PHYSICAL BULLYING** includes hitting, tripping, pushing, or damaging another person’s property.
- **DIRECT VERBAL BULLYING** includes name calling, insults, homophobic or racist remarks, verbal abuse, threats or blackmail.
- **INDIRECT BULLYING** can be harder to recognise and often carried out behind the bullied student’s back. It is designed to harm someone’s social reputation and/or cause humiliation. Indirect bullying includes:
o lying and spreading rumours
o playing nasty jokes to embarrass and humiliate
o mimicking
o encouraging others to socially exclude someone
o damaging someone’s social reputation and social acceptance.

- **CYBER-BULLYING** involves the use of email, text messages, web cams, entries on social networking pages or chat sites to humiliate and distress someone
Examples include:
  o sending unwanted email or text messages, threats, insults or prank calls
  o spreading rumours on-line
  o taking unwanted, unapproved or private photographs from your mobile and sending them or showing them to others.

- **BY-STANDER BULLYING** involves being a spectator to any form of bullying, and not intervening or speaking out. Being a by-stander means you are ignoring your community responsibility to contribute to the safety and wellbeing of others.

**WHAT BULLYING IS NOT:**
Many distressing behaviours are not examples of bullying even though they are unpleasant and often require teacher intervention and management. There are three socially unpleasant situations that are often confused with bullying:

- **MUTUAL CONFLICT** - In mutual conflict situations, there is an argument or disagreement between students but not an imbalance of power. Both parties are upset and usually both want a resolution to the problem. However, unresolved mutual conflict sometimes develops into a bullying situation with one person becoming targeted repeatedly for ‘retaliation’ in a one-sided way.

- **SOCIAL REJECTION OR DISLIKE** - Unless the social rejection is directed towards someone specific and involves deliberate and repeated attempts to cause distress, exclude or create dislike by others, it is not bullying.

- **SINGLE-EPSIONE ACTS OF NASTINESS OR MEANNESS, OR RANDOM ACTS OF AGGRESSION OR INTIMIDATION** - Single episodes of nastiness or physical aggression are not the same as bullying. If a student is verbally abused or pushed on one occasion they are not being bullied.

Nastiness or physical aggression that is directed towards many different students is not the same as bullying. However all students and staff have a right to feel comfortable and safe, and a responsibility to contribute to the safety and comfort of others. Single episodes of nastiness or physical aggression should not be ignored or condoned.

**INDICATORS OF BULLYING:**
Students who are being bullied may show some or all of the following signs:

- be unwilling to go to school
- become withdrawn, and refuse to say what is wrong
- begin to do poorly in school work
- come home regularly with damaged clothes or possessions
- have unexplained scratches or bruises
- cry themselves to sleep or have nightmares
- refuse to work in a particular group, or sit next to a particular student
- demonstrate mood swings
- become withdrawn from social activities with peers
- avoid eye contact with adults during conversations.
INFORMATION FOR STUDENTS - WHAT CAN YOU DO?

If you experience bullying, you could:

- tell the student/s who are bullying to stop, making sure that you state clearly that the behaviour is unwelcome and offensive (this might be hard to do)
- ignore them and walk away
- seek help, and talk about it with someone you trust
- report it to a member of staff or a trustworthy friend. You should feel confident that the incident can be solved.
- write a description of the event and give it to your Year Level Coordinator
- talk it over openly with your parents, as they can help you make a decision
- make sure that you do not retaliate with physical or verbal abuse
- report it to the Wellbeing staff at school or to your Year Level Coordinator.

If you experience CYBER-BULLYING, you should:

- not respond to any electronic bullying
- save the evidence if possible so you can show it someone who can help
- block access for the person trying to contact you
- change your email address
- never give anyone your password/login details
- never include your surname, home address, phone, school or email address on personal websites
- tell a trusted adult at school or at home.

If you see someone else being bullied, you could:

- tell the person or people to stop bullying (this might be hard to do)
- offer comfort to the person being bullied
- encourage the person being bullied to inform someone
- decide to protect others by seeking help such as talking it over with a teacher, Year Level Coordinator or Wellbeing staff member
- make sure that you are not a by-stander.

** Denotes CYBERBULLYING
MANAGEMENT OF BULLYING INCIDENTS:
St Albans Secondary College responds to incidents of bullying and harassment using a whole school approach which is based on our guiding principles.

PREVENTION:
The school is proactive in preventing bullying and harassment by actively working with the school community to promote a culture that has a zero tolerance of bullying and harassment. Students and staff are empowered to talk about their needs, and their rights to learn and to feel safe and comfortable are strongly supported through policy and actions.

The school implements a number of programs and activities that promote the development of social skills and community responsibilities (see Appendix 3).

INTERVENTION:
Intervention strategies reflect the principles outlined in our Student Management Policy. They acknowledge the rights and responsibilities of all school community members and focus on the harmful impact inappropriate behaviour has on others.

It is each staff member’s responsibility to monitor their classroom environment to ensure students’ rights and responsibilities are upheld, and to intervene in any incidents of bullying or harassment.

Where possible, interviews and monitoring of the various parties involved in specific incidents should be handled by the same person, usually the Year Level Coordinator, so that an overview, as well as continuity and consistency of action, are maintained.

- FIRST STAGE INTERVENTION – If bullying is a first incident and at Level 1

In classroom:
Who is involved?
The first stage will involve the classroom teacher and/or the Learning Manager, the Year Level Coordinator and the student.

What actions are required?
The first stage will involve one or more of the following actions:

Teacher action:
- Reiterate the College Expectations and positively reinforce expected behaviour and standards (draw on ‘Hierarchy of Consequences’ to promote appropriate behaviour)
- Stand beside offending student (non verbal hint) to encourage on task behaviour
- Have a discussion with the bully & victim. Use Restorative Practices to address the issue(s) (Appendix 2)
- Provide personal support and offer Wellbeing referral to victim
- Give the bully a Detention
- Record incident for reference and monitor the situation
- Report the incident to Year Level Coordinator.

Year Level Coordinator action:
- Discuss the incident with the reporting teacher
- Record the incident in the student file
- If the file indicates prior incidents of bullying, all students involved should be interviewed
- Inform both the bully and victim’s parents of the incident and the involvement of their child
- Decide if any further follow up is needed with parents, Wellbeing and PCOs. Convene a Student Support Group (SSG) if needed
- Discuss the incident with the learning manager (Years 7-9)
- Use Restorative Practices with students to address the conflict (see Appendix 2)
- Impose sanctions for the bully and any by-standers as appropriate
- Provide feedback on action taken to the teacher, and to other staff through Snippets, if required.

1Maximum 10 minutes at recess, 25 minutes at lunch time, 30 minutes after school. After school detentions require 24 hours prior notice to parents.
Outside classroom: (Yard Duty etc)

Teacher action:
- Reiterate the College Expectations and positively reinforce expected behaviour and standards
- Record the students' names and report the incident to Year Level Coordinator. This is necessary to ensure bullying done by the same person(s) but seen by different people at different times is identified as early as possible
- Take students to the Year Level Coordinator if you believe incident could recur or escalate
- If the incident occurs on an excursion or camp, implement strategies to prevent a recurrence. Determine whether the incident requires the school to be advised immediately or make a report on returning to school.

Year Level Coordinator action:
- Discuss the incident with the reporting teacher
- Interview all students involved in incident. Record all details of the incident
- Check for prior reports. Repeat offenders will attract more severe action – refer to Second Stage
- Inform both the bully and victim's parents of the incident and the involvement of their child
- Decide if further action is needed with parents, Wellbeing and PCOs. Convene a SSG if needed. A SSG must be held if suspension is used as a sanction
- Discuss the incident with the Learning Manager (Years 7-9)
- Use Restorative Practices with students to address the conflict (see Appendix 2)
- Impose sanctions for the bully and any by-standers as appropriate
- Provide feedback on action taken to the teacher, and to other staff through Snippets, if required
- Follow up with the bully & the victim within 2 weeks to assess if further action is needed.

- SECOND STAGE INTERVENTION – If bullying behaviour is repeated, or it is initially more serious

Who is involved?
The second stage will involve the teacher, Learning Manager and the Year Level Coordinator or Sub School Leader. It may also involve a member of the Principal Class.

What actions are required?
The second stage will involve one or more of the following actions:

Teacher action:
- Report the incident to the Year Level Coordinator
- Establish that the victim is safe from the bully’s behaviour. Isolate the bully from the victim using either a seating plan or removal from class
- Address the victim’s needs. They will need to see the Year Level Coordinator and the Wellbeing Coordinator
- Complete an Incident Report form.

Year Level Coordinator action:
- Discuss the incident with the reporting teacher
- Interview all students involved in the incident. Record all details of the incident
- Inform both the bully and the victim’s parents of the incident and the involvement of their child. Arrange a parent interview for the bully and for the victim if necessary
- Determine if suspension’ or more serious action is most appropriate. Convene a SSG
- Use Restorative Practices with students to address the conflict (see Appendix 2)
- Organise victim support/counselling
- Record the incident in the student file and advise the Learning Manager (Years 7-9) of incident
- Impose sanctions for any by-standers
- Provide feedback on action taken to the teacher, and to other staff through Snippets, if required
- Follow up with the bully & and victim within 2 weeks to assess if further action is needed.

1Maximum 10 minutes at recess, 25 minutes at lunch time, 30 minutes after school. After school detentions require 24 hours prior notice to parents.
2Suspension procedures are outlined in the Student Engagement Policy.
**THIRD STAGE INTERVENTION** - if the bullying is severe or repeated

*Who is involved?*

The third stage will involve the Year Level Coordinator, Sub School Leader, Wellbeing Coordinator and a member of the Principal Class.

*What actions are required?*

The third stage will involve one or more of the following actions:

**Teacher action:**
- Report the incident to the Year Level Coordinator immediately. Send a student to get the Year Level Coordinator or PCO if necessary
- Establish that the victim is safe from the bully’s behaviour. Isolate the bully from the victim. The bully should remain under supervision
- Address the victim’s needs. They will need to see the Year Level Coordinator and the Wellbeing Coordinator
- Complete an Incident Report form.

**Year Level Coordinator action:**
- Isolate the bully from student population immediately
- Discuss the incident with the reporting teacher
- Interview all students involved in the incident. Record all details of the incident
- Contact a PCO to determine which of the following are appropriate:
  1. Suspension/expulsion
  2. Police contact and Emergency Management
  3. Other necessary actions
- Contact the parent/guardian of the bully and inform them of the incident. Organise a SSG meeting and arrange for the bully to be sent home
- Contact the parent/guardian of the victim and inform them of the incident. Arrange an interview
- Organise victim support/counselling
- Use Restorative Practices with students to address the conflict (see Appendix 2)
- Impose sanction(s) for the bully at SSG meeting
- Record incident in students’ files and advise the Learning Manager (Years 7-9) of incident
- Impose sanctions for any by-standers
- Provide feedback on action taken to the teacher, and to other staff through Snippets, if required
- Follow up with the bully & the victim within 2 weeks to assess if further action is needed.

**FALSE CLAIM**

If it is found that an student has deliberately falsified an accusation of bullying against another student, the accusing student will be dealt with as the offending student.

---

This policy was last ratified by School Council in... **MARCH 2010**
These flowcharts show the relationship between the levels of Student Management of Bullying Incidents and the intervention points where staff should enlist the support of their colleagues.

First incident of bullying in the classroom
- Teacher restates expectations and may impose sanctions from Hierarchy of Consequences
- Teacher talks to victim to assess the need for further action
- Student reports incident to Year Level Coordinator

Bullying incident detected by the teacher
- Teacher restates expectations and imposes sanctions from Hierarchy of Consequences
- Teacher talks to victim to assess the need for further action
- Student repeats an act of bullying

Bullying incident outside of classroom (e.g., Yard Duty)
- Incident is reported to Level Coordinator and all documentation completed
- Year Level Coordinator should:
  - Discuss incident with reporting teacher
  - Determine what Intervention Stage 1, 2 or 3 is appropriate to the incident
  - Follow processes of the selected Intervention Stage as detailed in the earlier sections of this document

Severe incident of bullying
- Incident is reported to the Level Coordinator. Victim should be isolated from bully and offered support. Bully sent to Year Level Coordinator
- Level Coordinator will:
  - Discuss incident with reporting teacher
  - Interview all students involved
  - Contact all parents and arrange interviews
  - Send bully(s) home
  - Refer victims to wellbeing
  - Report incident to a PCO member.
  - Establish a SSG for bully(s) to develop sanctions which will include suspension/expulsion

Student repeats bullying
- Student Support Group reconvened
- May lead to suspension/expulsion
- Student repeats bullying
APPENDIX 2 - RESTORATIVE PRACTICES

Rather than punish, restorative approaches look to create ways for people to understand the full consequences of their actions and for them to make good the harm done as much as possible. In taking this problem-solving and people-centred approach, restorative justice looks to not only resolve the effects of an offence, but also to prevent further harm.

Research tells us that:

- When teachers use coercive discipline techniques (punishment and aggression) students do not become more responsible.
- When teachers use more inclusive techniques (discussion, recognition, involvement and hinting) students become more responsible.

The principles of restorative justice are:

- Foster awareness in the student
- Avoid scalding or lecturing
- Involve the student actively
- Accept ambiguity
- Separate the DEED from the DOER
- See every serious incident of wrongdoing and conflict as an opportunity for learning.

A script you might find useful for having a restorative conversation:

Affective Questions:

1. Focus on the specific behaviours or incident without blaming.
2. Use “relational” questions to draw out who was affected and how they were affected,
3. Direct questions towards problem solving. What needs to happen to “make things right”?

- What happened?
- How did it happen?
- What was your part in it?

- Who do you think was affected?
- How were they affected?
- How were you affected?
- What needs to happen to make things right?

Affective Statements:

1. Reflect on the impact that this behaviour or incident has had on you and others.

- This may include yourself as a teacher, Year Level Coordinator or Assistant Principal
- Consider the affect on other students, the class, the year level, other teachers, parents or the school community as a whole.
