## Principal's Welcome

On behalf of the School Council, staff and students, I would like to welcome you to St Albans Secondary College. I know that, for many of you, the selection of a secondary school has been a long process involving talking with members of the community and discussions with your child's primary school teachers. We are honoured that you have selected our school for your child.

St Albans Secondary College has an established and well-earned reputation for providing quality education for the students of the St Albans community. This comes from creating a learning environment that fosters the academic and personal development of each of our students.

Your child will participate in a range of educational and social programs, as well as having access to challenging and exciting extra curricular activities. Over the last few months our transition team has worked to ensure we understand your child's primary school achievements, as well as identifying their future learning needs. They have spoken to primary school teachers and met many of the new students through online communication platforms.

St Albans Secondary College believes in the importance of building strong partnerships with parents and offers several parent events throughout the year to support and encourage students to achieve their personal best. By joining our College, your child becomes a valuable member of our community and we are committed to working together to achieve the very best outcomes for your child.

In this handbook, you will find information on the Year 7 program, and some of our school policies, procedures and events designed to assist your child to transition seamlessly into their new environment.

I look forward to meeting you and welcoming you and your family into our school community.

Yours faithfully,

Ms Kerrie Dowsley

## About the School

St Albans Secondary College is a co-educational school of approximately 1,500 students. It is located 18 kilometres to the north of the Central Business District of Melbourne, within the City of Brimbank. St Albans is easily accessible by public transport and by car, being only a 20-30 minute trip to the city centre via the Calder Freeway and Western Ring Road.

The College is committed to the delivery of a challenging, high quality and inclusive curriculum, complimented by challenging programs in the performing and creative arts, sport and physical development, and information and communications technologies. Students are provided with opportunities to develop their unique interests and talents through intellectually rewarding extracurricular activities, such as interschool debating and student leadership programs.

St Albans Secondary College offers outstanding facilities for student learning, recreation and sport surrounded by landscaped grounds. Our students' learning is supported by access to a well-resourced library, performing arts centre, Year 7 and 8 dedicated science centre, Year 12 study centre, Hospitality Trade Training Centre, a careers office and an international students' office. The College is proud of our excellent sporting facilities which include a soccer field and a gymnasium which is frequently used for basketball, badminton and table tennis training and tournaments. Students are encouraged to use the College's weights room and outdoor multipurpose courts.

The College recognises its responsibility to the community to provide a safe, secure and supportive environment where students can learn and feel valued and respected as individuals. The College maintains a well-disciplined learning environment supported by sub-school structure and an experienced Student Wellbeing team.

St Albans Secondary College is a community where staff and parents work together with and for the benefit of students. Staff are deeply committed to the academic progress and wellbeing of students. All students are encouraged to interact closely with teachers and seek assistance when needed. Parents are encouraged to engage actively in their child's education through membership of school committees, participation in classroom support programs, and through regular meetings and contact with teachers and Year Level Coordinators.

The College is an integral part of the educational community of St Albans and surrounding suburbs. Through our Transition Program, strong relationships have been fostered with local primary schools. The school's work education and tertiary pathways programs have established further positive links with local community groups and businesses, as well as with tertiary providers.

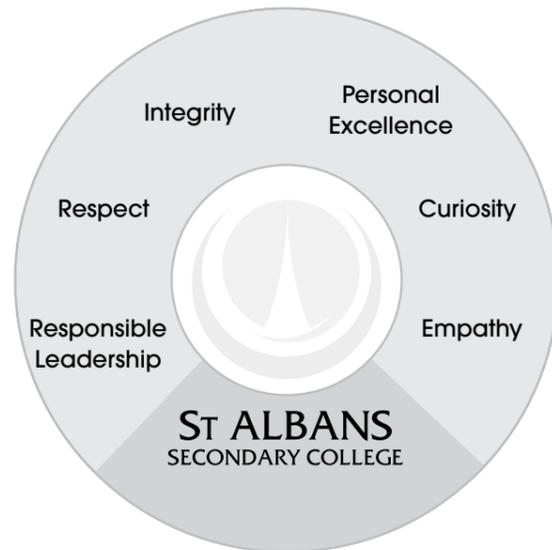

## Vision

St Albans Secondary College is dedicated to providing an environment that values excellence, is respectful of all members of the community and that inspires each individual to achieve their potential, and to take their place with confidence in a changing society.

## Values

The school community at St Albans Secondary College holds these values and guiding principles:

### ***Responsible Leadership***

We show leadership by taking responsibility and being committed to our vision and to each other.

### ***Respect***

We demonstrate respect and fairness to each other.

### ***Integrity***

We show integrity at all times, by being open and honest.

### ***Personal Excellence***

We take pride in our achievements, and strive for academic excellence.

### ***Curiosity***

We value critical thinking, creativity and risk taking in our learning.

### ***Empathy***

We demonstrate care for one another and express an understanding of personal points of view.

## School and Sub School Structure

Sub Schools provide smaller communities in a larger school structure. At St Albans Secondary College we have three Sub Schools:

*Junior School — Years 7 and 8*

*Middle School — Years 9 and 10*

*Senior School — Years 11 and 12*

## A Team Approach

Students are supported in their transition from primary school to secondary school by a team of dedicated staff which includes a Transition Coordinator and five Junior Sub School Coordinators. This team approach supports students' academic, social and personal development.

In Year 7, students have a Learning Manager who teaches them for Integrated Studies and who is also responsible for monitoring and supporting their learning and wellbeing. Students are assigned a homeroom where they will complete the majority of their school work. This allows them the opportunity to form and strengthen relationships with their fellow classmates.

To further develop student wellbeing and connectedness to the school, St Albans Secondary College offers excellent student welfare support through the expert services of our Student Wellbeing Team.

## A Smooth Transition

The transition from primary to secondary school is an exciting time for students and their parents. It is the next stage in a lifelong educational journey leading to new experiences and challenges.

### ***The Transition Program***

St Albans Secondary College works in partnership with the local primary schools to ease students through the transition period. Students revisit their primary school to share their secondary school experiences and to work on cooperative projects with primary school students. Designed to assist your child to develop positive relationships with both their teachers and peers, the program also extends students' knowledge of secondary school, builds resilience, promotes their personal confidence and generally helps students settle into College life.

### ***Program Activities***

During the year, all Grade 6 students are visited by the Transition Coordinator, who will provide information about the College and address any general concerns. In Term 2, students from the local primary schools are invited to attend a 'taster day' to experience some of the Year 7 core and elective subjects offered at St Albans Secondary College. In addition, students are invited to attend our annual music drama performance, and to participate in interschool activities. In Term 4, students will partake in the 'Big Day In', a Wellbeing Day aimed at building student confidence and self esteem. Our Orientation Day in December provides students with a further opportunity to become familiar with the layout of the College and develop positive relationships with their new classmates and teachers.

## Parent Support

Parents can help to make primary to secondary transition successful by assisting your child to get used to a varied schedule and greater independence, planning strategies for making new friends, providing support with homework and assignments, attending parent teacher interviews and encouraging your child to become involved in extra curricular activities.

It is also important for parents to be well informed of College policies and procedures, particularly the Year 7 Program. Parents are encouraged to attend parent transition events to find out more about the curriculum, school structure, uniform, school charges and other important dates and information. Parents are also welcome to book a personal tour of the College by appointment with the Transition Coordinator.

*\* Changes to the Transition Program 2020/21 may occur/have occurred in accordance with Victoria's response to the COVID19 pandemic and advice from the Department of Education and Training.*

## November Information Pack

An information pack will be sent to families in mid-November which will include a booklist, invoice, information on your child's home group and subjects, uniform shop opening times and key dates.

It is important to advise our office if your postal address or email address has changed.

## School Charges Policy – Year 7, 2021

The St Albans Secondary College Council is committed to providing a high quality learning environment for all students. We believe that this makes a significant contribution to our students' educational outcome and to their enjoyment of their secondary school experience.

Over recent years, St Albans Secondary College has been working to expand the range of resources available to students, and to upgrade and improve the standard of the College facilities and grounds to meet the needs of our students and school community.

The college receives much of its funding through Government grants. However, these grants alone are not sufficient to provide the quality of facilities and programs we regard as essential for your child.

To assist the college to bridge the gap between funding and actual costs the College Council has approved four types of fees and charges.

### 1. Essential Learning Items (ELI)

The Essential Learning Items (ELI) applies to all students. This charge is compulsory and is used towards the provision of essential materials and resources to the students which are beyond the services for which the government funding provides funds. Most school charges are included in the Essential Learning Items (ELI).

Payment of this charge is compulsory for each student and includes the following:

- Supplementary Class and Homework Materials (including photocopied resources)
- Locker Hire
- Student Diary
- College Handbooks
- Printing (start-up allocation)
- House Lanyard
- Padlock

The Essential Learning Items (ELI) charge for Year 7 students is **\$244.00**

Parents will be required to pay at least 50% of the ESLC prior to their child accessing the above materials and resources.

### 2. Essential Learning Activities (ELA)

The Essential Learning Activity (ELA) applies to all students. This charge is compulsory and is used towards to cost of the following school activities:

- Swimming and Athletics Carnival
- Visiting Speakers and Performers
- End of year activities

The Essential Learning Activity (ELA) charge for Year 7 students is **\$64.00**

Families who have a Health Care Card (HCC) and are eligible for the Camps, Sports and Excursion Fund (CSEF), will have this amount offset.

### 3. Additional School Charges

This is a user pays charge that is associated with the provision of programs that are beyond the scope of government funds.

#### Interschool Sports

All Interschool sport events attract their own charge. Your child's consent form will state the cost of each event. Payment and consent is required prior to your child being able to attend the event.

#### Camps and Excursions

Information about costs for Integration Studies camps and other planned events have been included on the student's school charges invoice.

Students may have the opportunity to attend other activities/events related to their home group throughout the year at an additional cost.

#### Instrumental Music Lessons

Students will only be enrolled in an Instrumental Music lesson once payment has been made and enrolment form completed.

The College offers lessons in Guitar, Keyboard, Drums, Piano and Voice.

\$45.00 per Term or \$180.00 per year (1x Half Lesson per Week)

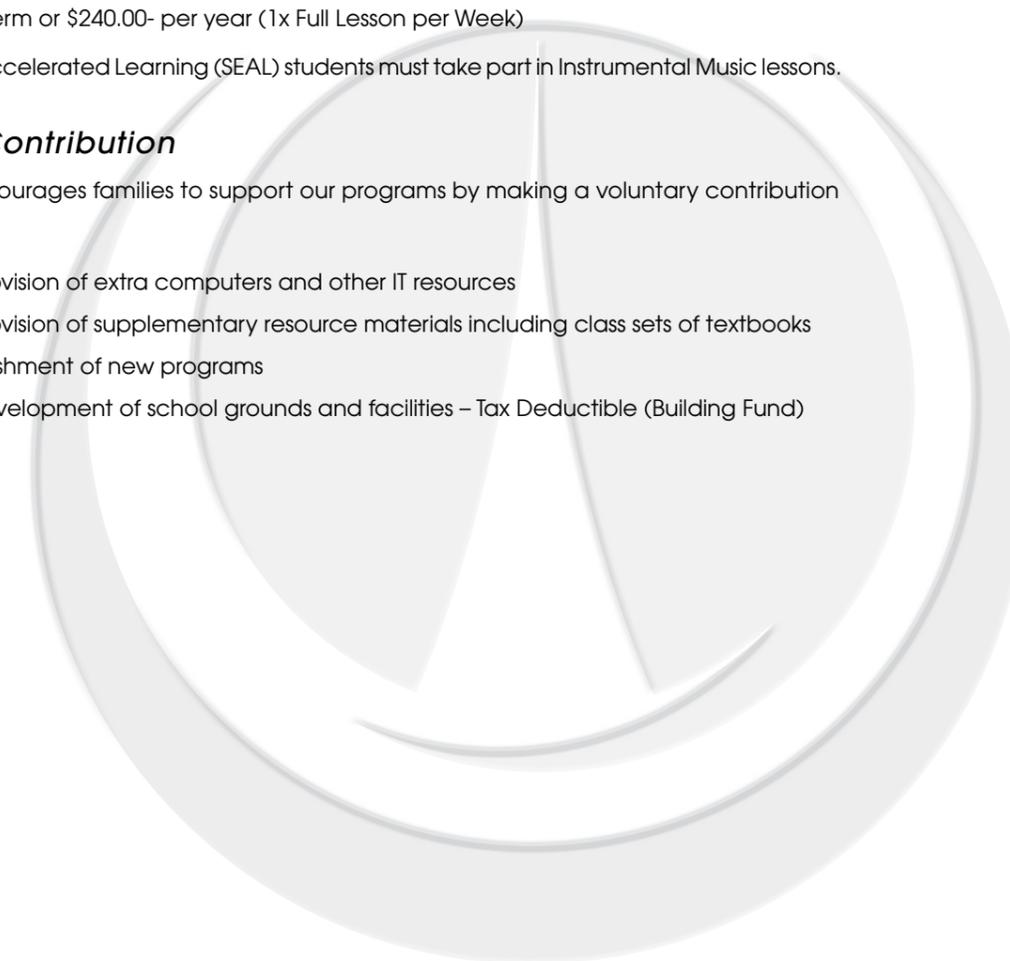

\$60.00 per Term or \$240.00- per year (1x Full Lesson per Week)

All Select Entry accelerated Learning (SEAL) students must take part in Instrumental Music lessons.

### 4. Voluntary Contribution

The College encourages families to support our programs by making a voluntary contribution towards:

- the provision of extra computers and other IT resources
- the provision of supplementary resource materials including class sets of textbooks
- establishment of new programs
- the development of school grounds and facilities – Tax Deductible (Building Fund)

## Payment Arrangements and Methods

All new CSEF applications must be submitted to the school prior to the end of term 2.

Parents who have completed an application for the CSEF will have their application verified by Centrelink. Successful applicants will receive \$225.00 which is paid directly into the student's school account from March 2021. The CSEF will be offset against the ELA and the remaining CSEF balance will be used for other camps, sports and excursions throughout the year.

Further information regarding the CSEF and eligibility criteria can be found on the Department of Education and Training website.

# College Uniform

## Uniform Policy

### Guiding Principles

By having a compulsory uniform the College aims to:

- promote a positive image of our school in the community,
- encourage a sense of pride and belonging amongst our students,
- identify our students as belonging to the College.

### Expectations

All students of St Albans Secondary College are expected to wear **full** school uniform **every day**.

The uniform must be worn to and from school, at lunchtime and recess, and on all school excursions.

At all times the manner in which the uniform is worn will reflect pride in the College. This means that, the uniform:

- will be clean,
- in a state of good repair,
- appropriately fitted,
- worn without non-uniform garments being visible (only plain white t-shirts are acceptable to be worn under the school polo top or shirt).
- worn without non-uniform garments being visible (only plain white t-shirts are acceptable to be worn under the school polo top or shirt).
- students may wear the official school sports uniform to or from school if they have PE. Period 1 or 6. No other sports clothes may be worn to or from school, or at recess or lunchtime.

### Implementation

If, for any reason, a student attends school out of uniform, she or he must report to their Year Level Coordinator **before** going to class.

Sub School Leaders and Year Level Coordinators will conduct regular uniform checks. If a student is at school out of uniform, one of the following practices may be appropriate:

- if the parent/guardian cannot be contacted the student will be provided with emergency clothing for that day and after that shall not return to school until they are in full uniform;
- if the parent/guardian can be contacted the student will be sent home to return in full school uniform;
- the student will be required to attend a detention;
- where there is a longer term difficulty, the school will consult with parents to find a solution.

### First Day of Year 7

Students will start Year 7 on Thursday 28 January 2021. Students should be in full uniform on the first day.

Students are asked to report to the Performing Arts Centre by 8:45am where they will join their home groups. They should bring their pencil case, two or three exercise books, a water bottle and their lunch. Alternatively, they can purchase their lunch from the school canteen.

All items students bring to school including their uniform should be clearly labelled with their full name and Year Level.

### Structure of the Day

The school year is divided into four terms, with the first two terms referred to as Semester One and the last two terms as Semester Two. A school day is divided into 6 lessons (periods) of 50 minutes, giving a total of 30 periods for the week.

Students should be at school no later than 8:45am every day. During the 10 minutes before Period 1, they are required to go to their lockers and organise their books for classes. Students are expected to be punctual for all classes.

Students who become ill at the College should report to the Sick Bay, located in D Block adjacent to the general office. A medical form is required to be filled in by parents at enrolment. Parents are asked to keep this record up-to-date by informing the College of any significant injuries or illnesses which occur. Students are also expected to have lunch provided from home or purchased at the school canteen. The General Office **will not** accept school lunches dropped off for student pick up.

## Canteen

The canteen offers a wide, inviting range of healthy and snack food items and provides a welcoming, social environment for students to enjoy their lunch in a clean seated indoor cafeteria.

The canteen is open daily from 8:15am for breakfast and then again at recess and lunchtime. Lunch can be ordered before school and collected in a separate queue at lunchtime.

During the first week of Term 1, Year 7 students are dismissed ten minutes prior to the lunchtime bell and allowed access to the canteen before the rest of the school. This helps our newest students become familiar and comfortable with the canteen area.

## House System

Students are allocated to one of four House Colours upon enrolment: Red, Blue, Green or Yellow. The Houses have been named after influential Australian identities:

House	Colour	Australian Identity
Irwin House	Red	Steve Irwin - nicknamed "The Crocodile Hunter", was an Australian wildlife expert, television personality, and passionate conservationist.
Rosewall House	Blue	Ken Rosewall - former world top-ranking professional Australian tennis player.
Buttrose House	Yellow	Ita Buttrose - successful journalist, businesswoman, entrepreneur, television personality and author.
Freeman House	Green	Cathy Freeman - former Olympic champion runner and the first Indigenous Australian to become a Commonwealth Games gold medallist.

These great Australians were chosen as they are shining examples to our students of what determination and a will to be their best can achieve.

Students must purchase their Physical Education polo top in their allocated House colour (see Uniform Pricelist – page 17).

The school's Swimming and Athletic Carnivals are run on an Inter-House format and house points are awarded to students for participation in a wide range of activities across all facets of their school experience. Sub-school House Captains and Vice Captains have been appointed to build student involvement, connectedness and ownership of the program.

## Select Entry Accelerated Learning Program (SEAL)

St Albans Secondary College supports students identified as capable of learning at a faster pace and in greater depth than their peers, by providing opportunities for high achieving students to accelerate and enrich their academic studies, leadership skills and creative talents.

Our expert team of teachers is specially trained in gifted and talented education to accelerate the pace of learning, ensure depth of learning and to closely monitor each student's progress.

St Albans Secondary College offers places in the SEAL program to a limited number of high achieving and committed students. Students are selected through our Scholarship and SEAL testing session run by the educational assessment organisation Edutest, early in Term 2. Students are tested in verbal and numerical reasoning, reading comprehension and mathematics. In Term 3, students will sit another test in literacy and numeracy to determine class groups. Suitable SEAL applicants will demonstrate academic skills well above those of their age group, and will be highly recommended for the program by their primary school teacher.

Students who are identified through the selection process show exceptional ability in:

- high academic performance and will benefit from an accelerated and enriched learning experience that is demanding, open-ended, and designed to engage their higher order abilities;
- working independently and cooperatively;
- meeting all deadlines;
- listening to and learning from others;
- problem solving and persevering;
- working consistently; and
- submitting work of a high standard.

As well as receiving a place in the SEAL program, high achieving applicants may also be awarded a Scholarship for Academic Excellence (see Scholarship Program).

In Year 7, SEAL students will complete Analysis and Critical Literacy (ACL) to continue to extend and develop their literacy skills. In Years 7, 8 and 9, students will complete extension core subjects and will be accelerated in the mathematics course. Enrichment electives in the Sciences, such as Forensic Science are also offered to students in Year 9.

At Year 10, students may choose to accelerate their learning further by completing Units 1 & 2 of one or more Victorian Certificate of Education (VCE) subjects. Students who have successfully completed Units 1 & 2 in Year 10 will then advance to Units 3 & 4 in Year 11. Students are offered the opportunity to complete all VCE Mathematics subjects over two years.

St Albans Secondary College reserves the right to place students into a mainstream class if they are not benefitting from the SEAL program or if their academic performance in the SEAL program is not satisfactory.

## Scholarship Program

Every year St Albans Secondary College awards scholarships to students who demonstrate significant achievement and aptitude in the areas of Sport, Leadership, Visual & Performing Arts and Citizenship as well as General Academic Excellence.

Scholarship applicants are required to submit copies of their NAPLAN results, school reports, teacher recommendations and an extended writing piece, as well as attend an interview at the College accompanied by their parents. In addition, students applying for the General Academic Excellence Scholarship (SEAL program) are also required to sit an academic test.

Preliminary applications for scholarships are to be submitted by the end of May the year preceding the students' commencement of Year 7. Enquiries about the Scholarship Program should be directed to Marlene Cassar, Transition Coordinator.

## School Camp

St Albans Secondary College owns its own camp site in the Strathbogie Ranges, approximately 180kms north of Melbourne.

The Camps Program for Year 7 is part of Integrated Studies. The purpose of the camp is for students to increase their self esteem, build solid relationships with their teachers and new classmates, learn to interact within a group and to develop communication and leadership skills.

Students are provided the opportunity to appreciate and connect with Australia's natural environment by participating in activities such as swimming, mini-golf, canoeing, archery, environmental projects, bush walking, table tennis, volleyball and basketball.

Year 7 camps are held in Term 1 and early in Term 2.

## Extra Curricular Programs

Our College offers an array of extra curricular activities designed to complement and enhance the academic foundation provided by the core curriculum and electives. Being involved in extra curricular activities gives students the opportunity to develop their connectedness to the school community, establish friendships and participate in elite levels of competition and performance. Students who participate in our extra curricular programs are often recipients of regional awards.

In Year 7, each class elects a Class Captain and Vice Captain who liaise with the Principal Class and Junior Sub School Coordinators on behalf of the student body. The SRC works democratically to represent the student body in school decision-making. Students work together, with help from a staff member, to organise activities for students to participate in secondary school life and to contribute students' opinions and ideas.

## Anti Bullying Policy

### Guiding Principles

Bullying behaviour at St Albans Secondary College will be addressed as part of our school's duty of care to provide a safe and supportive school environment.

We promote a school community in which everybody feels valued, respected and safe, and where individual differences are appreciated, understood and accepted.

Students must be empowered to talk about what is happening to them if any bullying behaviour is to be addressed.

### Rights and Responsibilities

- All students have the right to learn.
- All students and staff have the right to feel comfortable and safe, and the responsibility to contribute to the safety and comfort of others.
- All students and staff have a responsibility to develop empathy for the wellbeing of others.

### What is Bullying?

Bullying is hurtful, typically repetitive behaviour directed by more powerful individuals or groups against those who are less powerful. It creates a risk to another person's health and safety — either psychologically or physically — or their property, reputation or social acceptance.

Bullying is uninvited, unwelcomed, intimidating and/or offensive to the recipient.

### Management of Bullying Incidents

St Albans Secondary College responds to incidents of bullying and harassment using a whole school approach which is based on our guiding principles.

### Prevention

The school is proactive in preventing bullying and harassment by actively working with the school community to promote a culture that has a zero tolerance of bullying and harassment. Students and staff are empowered to talk about their needs. Student's rights to learn and to feel safe and comfortable are strongly supported through policy and actions.

The school implements a number of programs and activities that promote the development of social skills and community responsibilities.

### Intervention

Intervention strategies reflect the principles outlined in our Student Management Policy. They acknowledge the rights and responsibilities of all school community members, and focus on the harmful impact inappropriate behaviour has on others.

It is each staff member's responsibility to monitor their classroom environment to ensure students' rights and responsibilities are upheld and to intervene in any incidents of bullying or harassment.

It is each student's responsibility to make sure that they are not involved in any type of bullying or harassment. They also have a community responsibility to report this sort of behaviour if they see it happening to others.

Any staff member who witnesses or is informed of a bullying incident will take immediate action. A report will be made to the appropriate Year Level Coordinator.

The Year Level Coordinator will interview students involved and inform parents/guardians of incidents where necessary.

Our Student Wellbeing Team will provide support where needed for students involved in a bullying incident.

The full Anti Bullying Policy is available on the school website at [www.stalbanssc.vic.edu.au](http://www.stalbanssc.vic.edu.au).

## Attendance and Punctuality Policies

Regular attendance at school and all classes is necessary if students are to achieve their best academically and socially. All students are expected to arrive on time for school and for all classes. Habitual lateness, like absences, has a negative effect on students' learning.

St Albans Secondary College is committed to working with students and parents/guardians to encourage positive attendance behaviours for all students.

The College's Attendance Policy requires all students, at all year levels, to maintain an attendance rate of at least 90%. 90% attendance includes all absences, except:

- absences with medical certificates;
- extended family holidays; and
- major religious and cultural events.

All other absences count against the 90% attendance, including parent approved absences and suspension.

In order to meet the 90% attendance requirement, students can only be absent for 9 days per semester without a medical certificate. A student who does not achieve 90% attendance may not be able to satisfactorily complete the year level or subject. This may result in the student not being promoted to the next year level.

The following consequences will apply to students who do not meet the expectations in relation to punctuality:

1 <sup>st</sup> late	Coordinator Warning
2 <sup>nd</sup> late	Student receives a lunch time detention 12:45pm–1:10pm Sub Schools to contact home
3 <sup>rd</sup> late	Student receives after school detention 3:15pm–3:45pm Sub Schools to contact home
4 <sup>th</sup> late	Student receives after school detention 3:15pm–3:45pm Student is placed on an 'Attendance Sheet' for two weeks Sub Schools to contact Parent/Guardian (via meeting where possible) <i>Note: for all subsequent detentions students will receive an after school detention 3:15pm–3:45pm.</i>
5 <sup>th</sup> late	Parent contact/meeting with SSL & PCO Strategies discussed – suspension if appropriate.

We thank you for your support in ensuring that your child attends school on time each day, and for notifying their coordinator if they are absent.

### ***'It's not okay to be away. 90% Attendance — No Less'***

The full Attendance and Punctuality Policy is available on the school website at [www.stalbanssc.vic.edu.au](http://www.stalbanssc.vic.edu.au).

- Families are expected to notify the school of a student absence by contacting the school to record student absences before 10:30am on the morning of the absence.
- The College will notify families via an SMS message if a student has been recorded for one or more periods absent without an explanation.
- Notifications will be sent at 10:00am, 11:00am and 3:45pm
- Families are required to reply to these messages to notify the school of the reason for the absence.
- Families that do not reply will be contacted by the Year Level Coordinators to discuss the student's absence.

Permission letters are available from the Junior Sub School.

## Parents and the School

### Parent Roles and Responsibilities

For the smooth running of St Albans Secondary College, the school enlists the support of parents as partners. The College establishes home-school links that actively involve parents in their child's education and we ask parents to view home-school collaboration as a mutual responsibility.

As teachers and parents share the responsibility of encouraging, modelling and reinforcing appropriate behaviour, it is important that parents understand their role in the development and establishment of these behaviours.

We ask parents to partner with us and support their child and the College by:

- Demonstrating a positive attitude at home about school, teachers and the importance of education.
- Keeping open communication with their child's teacher, coordinator and the Principal communicating any concerns they may have. This helps to address any difficulties and maintain a positive learning and social environment.
- Monitoring homework and assignments to make sure they are completed well and on time and encouraging their child to work to the best of their potential, academically and socially.
- Demonstrating respect and good manners towards others in the school community including teaching staff, administration and other staff working in the school.
- Attempting to provide, to the best of their ability, proper rest and nutrition for their child, as these are extremely important if they are to function well at school.
- Making themselves aware of their child's performance at school and be open to a mutual sharing of concerns.
- Being a positive role model when visiting the school.

### Helping Out

Parents are invited to contribute to the school in the following ways:

- attendance at parent teacher interviews;
- helping their child with homework;
- providing learning space at home for their child;
- checking their child's planner each week;
- contacting the school if their child is experiencing any problems;
- participating in the monthly Parents and Friends Association;
- participating on the Curriculum Committee;
- participating on School Council;
- helping their child with reading or numeracy programs;
- helping or participating in sporting activities;
- providing learning activities — crafts, guest speaking, cooking, work experience etc. and
- attending adult learning classes offered by the school.

## School Council

School Council is the elected body of parents, students, teachers and the Principal, appointed to manage the school in accordance with Government policies and guidelines. Elections to join the School Council are held each March.

### ***What is a school council and what does it do?***

All Victorian Government schools have a school council. They are legally formed bodies that are given powers to set the key directions of a school within Departmental provided guidelines. In doing this, a school council is able to directly influence the quality of education that the school provides for its students.

### ***Who is on the school council?***

Any parent of a child enrolled at the school is eligible to stand for election as a parent member. Department of Education and Training (DET) employees can be parent members at their child's school as long as they are not employed at the school. The council also includes DEECD employee members and community members.

### ***Why is parent membership so important?***

Parents on school councils provide important viewpoints and have valuable skills that can help shape the direction of the school and contribute to its success, and to that of each student.

St Albans Secondary College has been fortunate to have the support of very keen and dedicated parents willing to take on the responsibilities of council membership and to become involved at this level in the life of the school.

### ***Do I need special experience to be on school council?***

No. What you do need is an interest in your child's school and the desire to work in partnership with others to help shape the school's future.

### ***How can I join the school council?***

Elections for school council memberships are held in February and March each year. Information about elections is sent home to parents.

Parents are welcome to attend as visitors and should give prior notice to the Principal if interested.

### Student Planner

The Student Planner is used as a means of communication between teachers, students and parents. Teachers will indicate set homework, assignments and areas of concern via the Student Planner.

Students are required to take their Planner into each class to record their homework. The Student Planner is taken home each night so that parents are kept informed. Please feel free to use the Planner to communicate with your child's teachers.

Parents are asked to sign the Planner each week.

### Reports and Progress Meetings

At St Albans Secondary College, student progress is monitored very closely and on an ongoing basis throughout the year. In the middle of each term, teachers complete progress reports and parents are contacted for an interview if their child's progress is not satisfactory in two or more subjects.

At the end of Term 1 and Term 3, parents and students meet with teachers at the parent-teacher interviews to receive a verbal report and to discuss student progress. Details of the parent-teacher interviews dates and times are in the front of the Student Planner with the booking sheet for interviews.

Parents are welcome to contact the Junior School Coordinators for progress reports on their child at any time.
