Placement of students commencing Year 7 in 2023

Dear parents and carers,

As your child is now in their final year of primary school, it is time to decide where they will begin secondary school. If you are considering a government school for your child's secondary education, you are required to complete the *Application for Year 7 Placement 2023* form and follow the process included in this information pack.

Enrolling your child, or children, in Year 7 is an important choice. The Department's [findmyschool](#) website allows you to locate your designated neighbourhood government school based on your permanent residential address. The website is the official and most up to date source of information on school zone maps.

Your child has a guaranteed right to enrol in their designated neighbourhood government school; this right is set out in the [Education and Training Reform Act 2006](#). Your designated neighbourhood school is determined based on your permanent residential address.

As the Victorian Government supports school choice, you can apply to schools other than your designated neighbourhood school. Applications are considered in line with the Department's Placement Policy and available space [vic.gov.au/how-choose-school-and-enrol](#)

The below placement timeline and *Frequently Asked Questions* (FAQs) document will help guide you through the placement process.

What you need to do

1. Locate your designated neighbourhood school for 2023 and other **secondary schools using [www.findmyschool.vic.gov.au](#)**
2. Complete the ***Application for Year 7 Placement 2023* form by Friday 13 May 2022 and return to either:**
 - your child's non-government primary school; **OR**
 - directly to your preferred government secondary school.

All parents/carers will be notified in writing of their child's Year 7 placement offers on **Wednesday 20 July 2022**.

Standard international students

Subclass 500 Student visa – School sector visa holders, where the child is the primary holder of the 500 Student's visa and is not a dependant on their parent's visa, do not have to complete the *Application for Year 7 Placement 2023* form within this pack. For enrolment in a government school for Year 7 in 2023, make an application online at: [www.study.vic.gov.au](#)

We wish your child well in their transition to Year 7 and trust that secondary schooling will be a richly rewarding experience.

Frequently Asked Questions (FAQ)

NOTE: Your designated neighbourhood government school is referred to as your local school in this section of the document. Your local school is the school your address is in the school zone for, as shown on the [Find my School](#) website.

1. My child attends a Catholic or independent primary school. How do I apply for a Year 7 place at a government secondary school for the 2023 school year?

If your child's non-government primary school is managing the placement process on your behalf, complete the *Application for Year 7 Placement 2023* form and submit it to your child's non-government primary school. They will notify you of your Year 7 placement offer for 2023.

If your child's non-government primary school is **not** managing the process, please contact your preferred government secondary school for direct submission of the Application form.

All parents/carers will be notified in writing of their child's Year 7 placement offers on **Wednesday 20 July 2022**.

Your Department regional office can answer any questions you have to complete the form.

2. My child is home schooled. How do I apply for a Year 7 place at a government secondary school for the 2023 school year?

Complete the *Application for Year 7 Placement 2023* form and submit it to your preferred government secondary school.

All parents/carers will be notified in writing of their child's Year 7 placement offers on **Wednesday 20 July 2022**.

Your Department local regional office can answer any questions you have to complete the form.

3. What happens if my preferred secondary school isn't able to accept our application for enrolment?

If your first preference secondary school is unable to place your child, the school will forward the application to the second preference school and so on until your child is placed.

The school able to accommodate your child will notify you of the outcome of your application. If your preferred secondary schools are unable to offer you a place, you are guaranteed a place at your designated neighbourhood school. All applications are considered based on the Placement Policy's priority order of placement.

4. How do I find the contact details of my Department regional office?

You can find the regional office contact details and locations on the Department's website, here: <https://www.education.vic.gov.au/about/contact/Pages/regions.aspx>

Designated neighbourhood schools

5. What is a designated neighbourhood school (referred to as your local school)?

Your *designated neighbourhood school* (your local school) is generally the government school within closest proximity to your child's permanent residential address unless the Minister for Education or Regional Director has restricted the zone of the school.

For children residing in metropolitan areas, Ballarat, Bendigo or Geelong, their local school is measured by a straight line from their permanent address.

If you live in another area, it is measured by the shortest practical route by road and considers access issues.

For more information, please visit: www.vic.gov.au/school-zones

6. Is my child guaranteed a place at their local school?

Children of compulsory school age are guaranteed the right to enrol at their local school. This right is set out in the [Education and Training Reform Act 2006 \(Vic\)](#), specifically S 2.2.13 (1), which states, “A child of compulsory school age is entitled to be enrolled at his or her designated neighbourhood Government school”.

7. How can I find my local secondary school and other schools in my area?

The Department of Education has made it simple to find your local school, and other schools in your area with the Find my School website.

1. Enter findmyschool.vic.gov.au into your browser
2. Enter your address under ‘Enter your address to get started’
3. Make sure 2023 is selected under enrolment year
4. For Year 7 placement, ensure secondary and 7 is selected under school type
5. The map will then show your address, your local school, and contact details for the school
6. If you scroll down, it will also show you the five closest schools.

To start a new search, simply replace the address or school name.

8. My property sits across two/multiple school zones. Which is my local school?

Your child has a right to attend any of those schools as your local school.

9. If my child has two permanent addresses, how is their local school decided?

If your child resides at multiple addresses, their ‘permanent residence’ is the address at which they spend most of their weekdays.

If your child spends the same amount of time at two addresses, both addresses are considered their permanent address. They are able to enrol in either one of the local schools.

For more information about the determining permanent residence, please see: www2.education.vic.gov.au/pal/enrolment/guidance/determining-permanent-residence

10. Can my child apply to attend a government secondary school that is not our local school?

Yes, your child may apply to attend a school that is not their local school.

All students who seek enrolment at a school that is not their local school may be enrolled if the school has available space.

If there are limited places available, applications for enrolment will be considered by the school using the priority order of placement in the Department of Education and Training’s Placement Policy.

Students are not guaranteed a place at a school that is not their local school.

11. What address do I put down if I have bought or am building a property at a different address to my child's current address?

Complete the application form with your **current** address. Once you have moved into your new property, you are entitled to enrol at your new local school, subject to verification of permanent residence.

For more information about the determining permanent residence, please see:

<https://www2.education.vic.gov.au/pal/enrolment/guidance/determining-permanent-residence>

The Department's Placement Policy

12. What is the Department's Placement Policy?

The Placement Policy is an important tool that schools use to manage enrolments. It:

- sets out the legal right for students to enrol at their designated neighbourhood school (referred to as your local school)
- provides schools guidance on how to prioritise students when they have limited places available.

For more information refer to

<https://www2.education.vic.gov.au/pal/enrolment/guidance/placement-policy>

13. What is the Priority Order of Placement?

The priority order of placement is what schools use to prioritise enrolments fairly and consistently, when they have limited places available. The priority order of placement is:

1. students for whom the school is the designated neighbourhood school
2. students with a sibling at the same permanent address who are attending the school at the same time
3. where the Regional Director has restricted the enrolment, students who reside nearest the school
4. students seeking enrolment on specific curriculum grounds
5. all other students in order of closeness of their home to the school.

In exceptional circumstances, a student may be enrolled in a school based on compassionate grounds (see question 15). This is an overarching consideration and does not form part of the priority order of placement. Schools assess exceptional circumstances applications on a case-by-case basis.

14. I can see that siblings are prioritised for enrolment. What is considered a sibling?

The definition of a sibling reflects modern family living arrangements. It includes, but is not limited to:

- both younger and older siblings
- step-siblings residing together at the same permanent address
- students residing together at the same permanent address as part of statutory out-of-home care arrangements, including foster care, kinship care and permanent care
- students permanently residing together in the one residence as part of multiple family cohabitation.

Students seeking enrolment on sibling grounds should be residing together at the same permanent address and must be attending the school at the same time.

Where siblings do not reside together on a full-time basis, families may still seek enrolment on sibling grounds. These applications will be considered on a case-by-case basis, in accordance with the Charter of Human Rights. These applications may not be prioritised for enrolment.

15. What are ‘compassionate grounds’ and how are they assessed?

There may be some situations where, due to exceptional circumstances, a student is unable to enrol in their local school. In these exceptional circumstances, enrolment at another school may be sought on compassionate grounds.

Parents/carers must be able to clearly demonstrate the exceptional circumstances which they believe make an enrolment at the local school unsuitable for their child (for example, family violence or specific wellbeing, safety, physical health and/or mental health concerns).

Each application will be dealt with on a case-by-case basis. Additional information may be required to support the application.

For details of how schools and regions collect and handle information of this nature, please see the Department’s Privacy Policy here: www.education.vic.gov.au/Pages/privacypolicy.aspx

16. What are not considered compassionate grounds?

The following examples do not generally meet exceptional circumstances on compassionate grounds:

- **Ease of transportation** – ease of access to a school via car, foot, public transport or carpool, or that it is closer to your workplace and/or the school of your child’s sibling/s.
- **Individual needs** – every Victorian government school has established programs and practices to support a wide variety of student needs and are able to plan and adjust support for students throughout all stages of their schooling.
- **Anticipated move** – families who are planning to move into the school zone after the beginning of the school year. This includes situations where families are building/buying a new home or starting a new lease agreement. Your preferred school may not be able to offer your child a placement for Year 7 until after you have taken possession of the property and can provide proof that it is your new permanent residence.

17. What evidence may I be asked to provide if I am making an appeal on compassionate grounds?

When making an appeal on compassionate grounds, schools and regions can request that you provide further evidence to support your application. This may include, but is not limited to:

- legal documentation.
- reports from allied health and/or medical professionals, Department of Families, Fairness and Housing Practitioners, Victoria Police, family violence services, court orders, etc.

For details of how schools and regions collect and handle information of this nature, please see the Department’s Privacy Policy here: www.education.vic.gov.au/Pages/privacypolicy.aspx

Enrolling in a secondary school

18. Where can I find general information about the transition to Year 7?

The Department’s website contains comprehensive information on the transition from Year 6 to Year 7.

For information please visit: www.vic.gov.au/moving-primary-secondary-school-information-parents-and-carers

19. How do I register my child for home schooling in 2023?

For information on home schooling please visit the Victorian Registration and Qualifications Authority (VRQA) website at: www.vrqa.vic.gov.au/home/Pages/homeeducation.aspx

20. Where can I find information about enrolment for international students?

International students can apply for enrolment in a government school at www.study.vic.gov.au or apply directly to non-government (Catholic or independent) schools. If you have any further questions regarding international student enrolments, you can also contact international@education.vic.gov.au.

21. My child has a disability. How can I ensure their secondary school will support them?

Every Victorian government school has established programs and practices to support a wide variety of student needs, including students with disability and additional needs. Schools make reasonable adjustments to ensure students with disability have the same learning opportunities as children without disability.

More information about disability support at school and disability rights and adjustments is available on the Department's website: www.vic.gov.au/disability-and-inclusive-education

22. What help is available to support my child with travel to and from school?

There are a range of transportation options for eligible students, including the:

- School Bus Program
- Students with Disabilities Transport Program (for travel to specialist schools)
- conveyance allowance.

Students may also be eligible for discounted travel through a child myki card or a Victorian Student Pass.

For more information, please see: <https://www.vic.gov.au/travelling-school>

The Application for Year 7 Placement 2023 Form (the Application form)

23. How many secondary schools can I preference on the Application form?

You can list up to three government schools, in your order of preference, in section 4B.

24. Do I need to identify three secondary school preferences if my first preference is my designated neighbourhood school (referred to as your local school)?

No. You can identify one preference if that school is your local school.

25. What happens if my child does not receive a place in their preferred secondary school, or schools?

Your child will be allocated to their local school.

26. Who may sign the Application form?

Where practical, all parents/carers with parental responsibility for a child should sign and submit a single Application form.

For the purposes of this form, a parent includes any person who has parental responsibility for the child including by way of Court order or parenting plan, a guardian for students and an informal carer of the child under an Informal Carer Statutory Declaration.

For further information, please visit: www2.education.vic.gov.au/pal/decision-making-responsibilities-students/policy

Note: where it is not practicable or possible for parents/carers to sign a single Application form, this should be communicated to your child's primary school who will work with you and the Department's regional office to develop a solution for the specific situation of your family.

It is expected that if parents/carers have difficulty reaching agreement, the dispute should be resolved between the parents/carers through discussion, attendance at the Family Relationship Centre or at Court.

It is not the responsibility of the Department, or the schools, to assist with this decision-making process.

27. What happens if I can't physically sign the Application form or do an electronic signature?

If emailing the Application form and parents/carers are unable to add an electronic signature or scan a signed copy of the Application form, they can provide authorisation in the email with the following wording:

I confirm that:

I am the person named as completing the attached application form; and

the information and preferences in the completed application form are true and correct; and

I agree to authorise the Application Form by electronic means and without a signature.'

28. I've been asked to submit supporting documents, such as NAPLAN results, along with my child's Application form. Do I, or my child's primary school, have to provide them?

No, government secondary schools are not permitted to ask families or primary school staff to submit additional information in support of a Year 7 application e.g., primary school reports, NAPLAN test results, and/or letters of recommendation.

29. What happens if our residential address details change after my child's Year 7 placement has been accepted?

You must contact your child's allocated secondary school as soon as possible to inform them of your updated address information.

If your child's Year 7 placement was offered based on your address being within the school zone at a school that is facing enrolment pressures, the offer may be formally withdrawn. In this instance, your primary school will assist you in securing a placement at your new local school.

Placement appeals

30. How do I make an appeal about my child's Year 7 non-placement for 2023?

In the first instance, parents/carers should lodge a written appeal with the preferred secondary school. This is the school at which your child has been unsuccessful in gaining a Year 7 placement.

Your appeal may be lodged using the **Year 6 to Year 7 Transition Placement Appeal form**. Your child's primary school will provide you with a copy of this form which contains FAQs on the appeals process.

This written appeal should be lodged with the preferred secondary school by **Friday 29 July 2022**.

It will be considered by the school's placement committee and/or Principal and you will receive written notification of the outcome by **Tuesday 9 August 2022**.

31. What happens if my appeal to my preferred secondary school is not successful?

If your appeal to your preferred secondary school is unsuccessful and you believe that your grounds have not been adequately considered by the school's placement committee and/or Principal, you may lodge a further written appeal to the relevant Department of Education and Training Regional Director by **Tuesday 23 August 2022**.

Appeals to the Regional Director may not be considered if you have not appealed to your preferred secondary school in the first instance.

Appeals are considered by a panel of senior regional staff that assess the appeal against the priority order of placement, and in exceptional circumstances, on compassionate grounds.

This panel supplies a recommendation to the relevant Regional Director who makes the final decision. You will receive written notification of the outcome by **Friday 21 October 2022**. This outcome **concludes** the appeal process.

32. Can I lodge an appeal to the relevant Regional Director after the closing date of Tuesday 23 August 2022?

This date is set to ensure all Year 6 students can participate in the Year 7 Orientation Day in December, which is a vital step in a student's successful transition to secondary school.

Any appeals received after this date will only be considered if the relevant Regional Director considers there to be exceptional circumstances. If you wish to lodge an appeal after the closing date, you should contact your regional office for advice.
