

**ST ALBANS**  
SECONDARY COLLEGE

Dear Parents and Guardians,

I am writing to provide you with information regarding St Albans Secondary College's voluntary financial contributions for 2026.

Government schools provide students with free instruction to fulfil the standard curriculum requirements, and we want to assure you that all contributions are voluntary.

Whilst all contributions are voluntary, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. This support has enabled us to provide a wider offering of subjects and special curriculum experiences; enhance digital learning opportunities, including through faster WIFI and internet; upgrade our gymnasium change room facilities; and continue our development and landscaping of the grounds and external facilities.

For further information on the Department's Parent Payments Policy, please see the one- page overview attached. You may also access the link below.

We look forward to welcoming you and working with you in 2026.

Yours sincerely,

**Principal**

**School Council President**

### Educational Items for Students to Own

The College recommends that you purchase the school booklist from Champion Education and netbook devices from LWT Learning with Technologies. The list of items for your child to individually own and use will be communicated to families in Term 4.

### Extra-Curricular Items and Activities

St Albans Secondary College offers a range of optional items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides in order to deliver the Curriculum. These are provided on a user-pays basis.

If you would like to purchase an item or activity for your child, please indicate on the table below and return this to the school.

# PARENT PAYMENTS POLICY

## ONE PAGE OVERVIEW

### FREE INSTRUCTION

- Schools provide students with free instruction and ensure students have free access to all items, activities and services that are used by the school to fulfil the requirements of the Curriculum. This includes the Victorian Curriculum F-10, the Victorian Certificate of Education (VCE) including the VCE Vocational Major and the Victorian Pathways Certificate.
- Schools may invite parents to make a financial contribution to support the school.

### PARENT PAYMENT REQUESTS

Schools can request contributions from parents under three categories:

#### Curriculum Contributions

Voluntary financial contributions for curriculum items and activities which the school deems necessary for students to learn the Curriculum.

#### Other Contributions

Voluntary financial contributions for non-curriculum items and activities that relate to the school's functions and objectives.

#### Extra-Curricular Items and Activities

Items and activities that enhance or broaden the schooling experience of students and are above and beyond what the school provides for free to deliver the Curriculum. These are provided on a user-pays basis.

- Schools may also invite parents to supply or purchase educational items to use and own (e.g. textbooks, stationery, digital devices).

### FINANCIAL HELP FOR FAMILIES

- Schools put in place financial hardship arrangements to support families who cannot pay for items or activities so that their child doesn't miss out.
- Schools have a nominated parent payment contact person(s) that parents can have a confidential discussion with regarding financial hardship arrangements.

### SCHOOL PROCESSES

- Schools must obtain school council approval for their parent payment arrangements and publish all requests and communications for each year level on their school website for transparency.
